ABOUT THE STAFF

There is nothing more important than the safety and well-being of your child. The Y takes pride in hiring staff who are responsible, mature, considerate, and passionate about working with children and teens to ensure a quality program experience. All of our camp staff members are first aid and CPR certified, and receive additional training in emergency procedures. In addition, staff are trained in child abuse prevention, pool safety, customer service and the implementation of age-appropriate activities.
