#### **CARDIO**

#### Cardio+ | Intermediate/Advanced | 45 min.

This action-packed session will keep you challenged with dynamic cardio movements and varied routines. Improve your endurance, agility, and overall fitness with a mix of high-intensity interval training (HIIT), and fast-paced movements to maximize calorie burn and see and feel the results.

## Cycle 30 / Cycle 45 | All Levels | 30 & 45 min.

Experience the ultimate cardio workout in this high-energy indoor cycle class. Your instructor will lead you through a variety of terrains to build cardiovascular strength and endurance while increasing your overall fitness.

#### Cycle Sculpt | All Levels | 45 min.

Cycle Sculpt is a dynamic workout that pairs a high-intensity cycle class with lightweight training to sculp and tone your entire body. This class is designed to challenge your cardiovascular endurance while also building strength and definition in your arms, legs and core.

## Turn Up Dance Fitness/Dance Fitness | All Levels | 45 min.

In this HIIT inspired dance fitness workout, you will burn fat, build muscle, boost metabolism, and not only burn major calories during class, but continue to scorch them for hours after class finishes! You will be challenged, but you will embrace it as you step outside of your comfort zone.

## **ZUMBA®**

#### Zumba®

Come join our party! Be prepared to move to hypnotic Latin and international rhythms. You'll enjoy this inspiring, muscle-pumping, calorie-burning blast as you immerse yourself in the music and the rhythms.

# **CARDIO AND STRENGTH**

# BODYPUMP™ | All Levels | 60 min.

BODYPUMP™ is THE ORIGINAL BARBELL CLASS. This evidence-based, motivating exercise program will sculpt, tone and strengthen your entire body. Low weight loads and high repetition movements aid in burning fat and gaining strength.

#### Bootcamp | Intermediate/Advanced | 60 min.

This intense total body workout combines strength and cardio movements for a dynamic workout that will challenge and push you to a new level of fitness.

## Cardio/Strength | All Levels | 60 min.

Burn fat and increase muscle tone with this invigorating, total body workout. With a mix of aerobic and strength training, you will be challenged to meet your fitness goals.

#### Endurance+ | Intermediate/Advanced | 60 Min

This advanced, high-energy workout combines aerobic exercise with strength training to improve cardiovascular fitness, increase muscular endurance, and boost overall fitness. Expect a dynamic and varied routine that will motivate and challenge you.

## Indoor/Outdoor Bootcamp | Intermediate/Advanced | 60 min.

This intense total body workout combines strength and cardio movements for a dynamic workout that will challenge and push you to a new level of fitness. This class is held indoors and outdoors depending on the weather. If the temperature is 40+ degrees the class will be held outdoors. Please dress accordingly.

## Power Circuits | Intermediate/Advanced | 60 min.

Using a variety of equipment, this circuit style class will raise your heart rate while combining strength training with cardio and functional movements to challenge your entire body.

## Strength/Agility | Intermediate/Advanced | 60 min.

Elevate your fitness with our Strength and Agility class! This high-energy session blends powerful strength training, intense cardio bursts, and functional movement to help you build endurance, power, and agility.

# Step/Strength | All Levels | 60 min.

This class begins with a 30-minute cardio segment of traditional step class and takes you directly into 30 minutes of total body strength work.

# STRENGTH

# $\textbf{Body Sculpt} \mid \textbf{All Levels} \mid \textbf{30 min}.$

Sculpt and tone your entire body with this core, upper, and lower body workout. This comprehensive class focuses on building strength, endurance and flexibility through a combination of exercises that target your core, arms, legs and glutes.

# Core Sculpt | All Levels | 30 min.

Core Sculpt will strengthen your core through a series of focused movements as you improve your body's overall functional strength, balance and coordination.

# Strength+ | Intermediate/Advanced | 30 min.

This challenging workout is designed for intermediate to advanced lifters. Strength is a 30-minute class focusing on complex exercises, progressive overload and functional movements. This efficient total body workout will boost your metabolism, build strength and enhance your athletic performance.

## TRX | All Levels | 60 min.

# MIND-BODY

#### Active Stretch | Athletic Recovery/All Levels | 55 min.

Relieve sore muscles and deep myo-fascial tightness, and improve your flexibility in this mat-based deep stretching class. Using a variety of equipment (foam rollers, straps and props), this class will help you recover from workouts and keep you moving strong!

## Barre | All Levels | 45 min.

Barre class is a low-impact, full-body workout inspired by ballet, yoga, and Pilates, focusing on small, repetitive movements and isometric holds to build muscular endurance, strength, and flexibility. Participants use a stationary barre for balance and support while performing exercises like plies, pulses, and core work, often incorporating light weights, resistance bands, and balls to target specific muscle groups until they fatigue.

#### Pilates | All Levels | 45 min.

Pilates is the ultimate class for core training! This class focuses on the abdominal and back muscles to improve core strength and flexibility. Most movements are performed while seated or lying on a mat.

#### YOGA

#### Gentle Yoga | All Levels | 60 min.

This slower paced class is focused on stretching, breathing and relaxing. It's designed to be adaptable and gentle on the body. Suitable for all levels, but aimed for a beginner with Yoga.

#### Hatha Yoga | All Levels | 45 min.

In this Hatha Yoga class, you will master balance, breathing, muscle control, and flexibility while deepening your mind-body connection. This slower paced class will hold positions for 30-60 seconds as you are guided by the principles of yoga philosophy and the chakra system, to enhance your practice. Classes end with 5-10 minutes of meditation.

## Power Yoga |Intermediate | 45/55 min.

Challenge your strength, balance and flexibility in this powerful vinyasa style class. Strong emphasis on breath to movement, building strength and finding a sense of playfulness and adventure on your mat.

#### Yoga 1 | Beginner | 45/55 min.

This slower paced mat class (no chair) is geared towards those looking to build the foundation of their yoga practice. Props and modifications will be offered for proper alignment, teaching students to find ease and confidence in their practice.

#### Yogalates | All levels | 60 min.

This fitness fusion class combines Yoga and Pilates, blending the flexibility, balance, and mindfulness of yoga with the core strength, posture, and muscle toning of Pilates.

## Yoga Sculpt | Intermediate/All Levels | 45 min.

This class takes yoga to a new level. Using light weights, participants will get their heart rate up with interval training. While suitable for all levels, this class moves at a much faster pace than a traditional yoga class.
