How to Prepare for Summer Camp Registration

1. Create or Update Your YMCA Account

- Ensure you have a B.R. Ryall YMCA online account, even if you are a non-member.
- Non-members will have "Program Only" accounts.
- If you want to receive the member rate, you must have an active Family Membership at the time of registration and maintain the Family Membership throughout the duration of Summer Camp.

2. Know Your Camp Options

- Review the available camps and determine which ones best fit your child's interests and schedule.
- Make sure you are selecting a camp based on the grade your child will be entering in the 2026-27 school year.

3. Plan Your Camp Weeks in Advance

- Decide ahead of time which weeks you want to register for.
- Have backup options in case your preferred camp fills up quickly.

4. Gather Required Information

Have the following details ready before registration opens:

- Your child's doctor's name and contact information
- Your health insurance provider and policy number
- Any medical conditions, allergies, or behavioral notes that camp staff should be aware of

5. Register on Time & Use the Waitlist If Needed

- Camps fill up quickly! Register as soon as enrollment opens.
- If your preferred camp is full, join the waitlist rather than selecting a different grade level.

6. Select the Correct Rate Plan

- After choosing your camps, select a rate plan before finalizing registration:
 - Traditional
 - Extended
 - Half-Day (available for Sports, Fusion and Varsity camps only)

7. Review the Parent Handbook

- Read the handbook for important policies, schedules, and expectations.
- If you have questions, contact the camp director before registration day.
